## Section Guidelines

### Motivation

Purpose: Demonstrate understanding of the role's actual work and explain why the user's way of working fits that context.

Guidelines:

- Start from the work itself, not from personal interest
- Frame motivation around the specific role
- Identify concrete aspects of the role and connect them to how the user typically works or thinks
- Let motivation be *implicit*

### Experience and Competences

- Match experience to responsibilities
- Apply global skill-reasoning rules

- Avoid describing experience without linking it to how it can be applied in this role

### Who you are gaining to the Team

- Describe collaboration style
- Emphasize stability, curiosity, and knowledge sharing
- Write as if completing the sentence implied by the heading
- Begin with a noun phrase, not a full clause

## CV Profile text

Rules

- ~600 characters
- Summarize professional focus, strengths, and working style
